

Franchise-Partner Approval Process

Becoming a franchise-partner is an important decision; both for you and for the business that will become your franchisor. To help us get to know each other, Workout Anytime has developed the following seven-stage approval process.

Initial Inquiry

Reach out to us by completing our simple online form with your information. Next, we'll arrange a time to meet via phone.

Initial Phone Conversation

During our introductory call, we'll go over all of the basics, such as our business model and your goals, to see if we would be a good fit.

Your Application

In this stage, you'll provide us with financial and personal information so that we can conduct a review of your financials and a background check.

FDD Review and Receipt

You'll be presented with a copy of our franchise disclosure document (FDD), an important document that presents you with all of the inner workings of our company.

Discovery Day

You will be invited to our Corporate Headquarters or Regional Market to meet the team and tour some clubs.

VALIDATION

You will be encouraged to reach out to our current Franchise Partners for their unique experience with joining the Workout Anytime family.

SIGN AND GET STARTED

Once you've met our team and had a chance to review the FDD, you'll join our team by signing a franchise agreement. Welcome aboard!

In this stage, you will complete your onboarding and will learn everything you'll need to know to run your business.

Next, we'll work with you on opening your new location. We'll celebrate together as your business opens its doors on Grand Opening day!

These seven stages represent the most significant steps in the Workout Anytime approval process.

If you're ready to take the first step, let's get started by filling out our simple online form.
